**Motion For Extension to Restore the Case - In RE: Court's March 8, 2024 Order DE#21**

Dear Honorable District Judge Ramos,

We represent Plaintiff in the above-styled action.

Pursuant to the Court's March 8, 2024 Order, the Parties were instructed that the final date available to restore the civil action was April 23, 2024. As an initial matter, Plaintiff's counsel contends that due to some unforeseen events, the settlement has not been fully consummated. Therein, while the Parties do not believe that it will be necessary to restore the action to the Court's calendar, the Plaintiff out of an abundance of caution requests that the Court extend the time to re-open the case by an additional 30 days.

This request is made within the time frame as Ordered [DE#21] by the Court, *supra*. Therefore, for these reasons, Plaintiff humbly requests that the extension be granted in furtherance of justice.

Counsel for the Defendants do not oppose this request.

Thank you for your time in considering this request.

Most Respectfully,

/s/ Maria-Costanza Barducci
